

The AI Side Hustle Builder

Prompt Kit by ThinkForge.tools

Turn your skills into income—faster.

Prompt Kit Contents:

Find Your Hustle:

Based on these interests and skills: [insert your hobbies, strengths, or current job], give me 5 side hustle ideas I could realistically start online or locally—with low startup cost.

Validate the Demand:

How popular is this idea: [insert side hustle idea]? What problems does it solve, and what type of people would pay for this? Give me real-world examples or trends.

Build a Brand in Minutes:

Give me 3 name ideas, a tagline, and a simple logo concept for a side hustle offering [describe your product or service]. Keep the tone [friendly, professional, edgy, etc.].

Craft a Quick Landing Page:

Write a short, clear landing page headline and pitch paragraph for my side hustle: [describe it]. Focus on benefits, not features. Include a simple call to action.

Write Sales Listings (Gumroad, Etsy, Fiverr):

Help me create a product listing for [insert your product or service] on [Gumroad/Etsy/Fiverr]. Write the title, short description, long description, and 3 tags.

Reach Your First Customers:

Write a short, friendly message I can send to friends, followers, or a test group introducing my new side hustle. Keep it casual, but make them curious.
